Dear Hiring Manager,

I'm writing to express my interest in the **Senior UI/Front-End Engineer** role at your organization. With over 16 years of experience in web development and UX strategy, I've consistently led cross-functional teams to deliver scalable, high-performance, and user-centric digital experiences that support business growth.

In my most recent role, I led front-end architecture and worked on performance optimization across complex platforms, collaborating closely with product and marketing teams to implement data-driven strategies that increased user engagement and conversion.

My technical expertise includes **ReactJS**, **NextJS**, **Javascript**, **HTML**, **Design Systems**, and **web analytics**, all grounded in a strong focus on usability, scalability, and measurable results.

I'm passionate about crafting digital experiences that not only meet user needs but also align closely with business objectives. I'd welcome the opportunity to bring that focus and energy to your team.

Thank you for your time and consideration. I can be reached at **9999145932** or **rajinweb@gmail.com**.

Best regards,
Rajesh Chaurasia
